TIGERS

Dear Jan,

Mum grandma, we're almost done. It certainly doesn't seem like 12 yrs, does it? We sure have had our share of fun though. Remember in 4th grade when Mrs. Berger made us stay over so often? We seemed to stay with each other just about every night. Next year you and Bill were prince and princess. You told me that after he moved he still remembered you as "the girl with the wart on her tongue." In sixth grade Mrs. Petters - Mr. Abrahamson's rooms had those awful fights always. And I was on the wrong side. Remember how bewildered we were in seventh grade? We got lost from class and Berg had to come and find us. Since then every year has just whizzed by. Remember that hectic yr. when we were sophomores? By the way, Wilbur was a pet mosquito. In our Jr. year everything really went on. We surely worked hard on our Brown and it was so pretty when we were through. That was the year we got both our outfits in octette too. We've sure had fun in octette. We won our first contest in Williams and from there we went to T.R.F., Crankston and all over. I'll never forget how scared we were that we hadn't gotten an A and the septette had last yr. Boy were happy when we found out! I'll never forget those fights with P.F. They are kind of funny now when I think of them but they weren't at the time.

You are a good kid Jan with oodles of personality. I know you'll succeed in whatever you do and have a good time doing it. Much luck to you and your better (or worse?) half.

Jan Myran 79

Jay - I forgot to mention our plays! We sure
had fun with them didn't we? And remember
that certain song? "I Sit By My Window". I
still get a charge out of that. Well now I quit.
But remember Jan - I expect to be in your
wedding. Anyway to be told before you announce
it - I'll let you be head dishwasher in mine
O.K.? Just kidding of course. I hope to keep
in touch with you always Jan. You are too
good a friend to lose

Hi Joe,

I guess I should write a whole page to you too!! I don't remember how
 you is many of my first places. But I ~~got~~ from 9th grade and up. I
 remember that cut little girl. I always had wished I could be like you.
 I have always admired you.
 I remember in 9th grade when we started our sixth? We never forgot
 the trouble we had. Some left, and there we got in the 2 that should
 wanted to be in it before.

10th grade we had gotten started and were on our way to study
 all day long and got on 1 that year. We had no much fun. That was the
 year they left and you started going with Bill. I don't want to
 forget that.
 Then 11th grade came and we were again got 1. But we also got on 1
 18.7. We thought we wouldn't say anything at the wrong time and all. You
 it was good we at when we were all together and all. You
 we had

At last our senior year came. We didn't know it could be so much
 fun. We had a ball in bookkeeping. Got on 4 at home and we were
 going to the 5 again. Remember the time I had to call you for a while to the
 school for play practice, music, piano and other things. But you were
 getting fed up. Well any way the last time I saw you was at the
 and beautiful girl. With your personality you can give a girl a
 you.

Dear Jan,
I will always
remember you as one
of the nicest girls of
the Senior class. Best
wishes in the near future.
Arnell

Well, only six weeks left
and our H.S. days are over.
I guess we shall always
remember the fun we've had
with our friends, classmates & fellow "blue
notes". Remember 5th grade - how
we used to stay at noon and read
love notes that the fellows would send
(even though they weren't to us.) Remember
all our long talks about certain people
We had many good times (especially in
Octette) that are well worth remembering.
My very best wishes for success and
happiness are with you, for - you're
a really swell girl with much personality.

Dear Jan,
I've enjoyed knowing
you all these years and
having you sit at our table
in study hall the year, 91
like to wish you the best
of luck in whatever
do in the future.

Dear Jan.

We are finally nearing
the end of our long journey!
I shall never forget all the fun,
laughs and sometimes tears we
have gone through together. Don't
ever forget the times we stayed

together and the time we spent
in Minneapolis - we still had a
riot - weren't those guys cute!

It has all been fun and I shall never forget it. I'm to
looking forward to the day
when you come to Florida to
visit me. Be good to Bill
and the best of luck to a
real swell girl. You deserve
all happiness and success that
comes your way. See you in Florida.
